

## Fingerprint & RFID Time Attendance F6

Parameters:

Fingerprint Capacity	500 Templates
Transaction Capacity	50,000
Sensor	Optical Sensor
Algorithm Version	Finger v9.0
Communication	RS485, SD Card
Access Control Interface for	3rd party electric lock, door sensor, exit button, alarm, Door Bell
Wiegand Signal	Output
Display	B&W LCD Screen
Optional Function	Other Rf cards
Power Supply	12V DC
Operating Temperature	0 °C~ 45 °C
Operating Humidity	20% ~ 80%
OEM	Yes
SDK	Available
Multi languages	Available
Serial and Ethernet ports	Build in

Application: home, office, school, government, building , or other purpose.
